RE: **Metribuzin Registration Review (EPA-HQ-OPP-2012-0487)**
EPA Reg. No. 264-728
Submit Metribuzin Dose Range-Finding Final Report

Dear Ms. Zinn:

Bayer CropScience is herein submitting the final report for the metribuzin comparative thyroid sensitivity assay dose range-finding study for supporting the Metribuzin Registration Review (EPA-HQ-OPP-2012-0487)

Enclosed with this submission are the following documents:

- Application form 8570-1
- Data Matrices for Metribuzin (Agency Internal and Public)
- Transmittal document
- Final study report listed in the transmittal document

Would appreciate a review of these results along with a follow-up meeting to clarify any next steps for the comparative thyroid assay.

If you have any questions or need additional information, please contact me at (919) 549-2373 office, (919) 428-4638 mobile or at dana.wernsman@bayer.com.

Sincerely,

A handwritten signature in black ink that reads "Dana Wernsman".

Dana Wernsman
Registration Manager
